## **Mobile Banking Enrollment Tips**

*If you have not already received that prompt, you will first need to complete the provided steps for enrolling in online banking before enrolling in mobile banking. Upon successful sign into the new online banking, you will be prompted to enroll in mobile banking.*

*If you are on your phone and select “Enroll Now”, it will automatically take you to the new app in your appropriate app store. If you select decline or wish to enroll at a later date, you can also search for our app manually in the app store by searching “Commercial State Bank”. The enrollment page is pictured on the following page of this document.*

*If you are on a desktop computer and select “Enroll now”, it will take you to the Mobile Banking enrollment section of your online banking profile. The system will ask for your phone number, and once entered it will send a download link to your phone. If you select decline but decide later to enroll, you can do so at any time by logging into online banking and selecting the mobile banking option from the menu. The enrollment page is pictured on the following page of this document.*
